

MEETINGS OF THE SCHOOL BOARD

Regular meetings of the Board of Education will be held once each month. The exact date for each monthly meeting will be determined by the full Board of Education at their annual Organizational Meeting, which will be held following the general election in April in accordance with Wisconsin Statute. All meetings will begin at 6:00 p.m., unless otherwise determined by the Board. Once this schedule of monthly meeting dates is established, the dates will be made available to the public on the Swallow School website. The meetings will be held in the Multipurpose Room, Library Media Center, or any other location that will most effectively serve the needs of the Board.

Additional meetings of the Board of Education may be held on other dates or at other times as deemed appropriate by the Board.

All meetings or any changes in the regular meeting schedule will be legally noticed and posted.
