

Swallow School District Child Nutrition Program 2018-19

The Swallow School District offers milk as well as hot lunch options as part of the Food Service Program. Students, staff, and visitors to the building may enjoy these offerings which use the freshest ingredients and feature many items made from scratch on site.

Prices

Student's Lunch = \$2.50 per day

Milk will be FREE to all students

Adult's Lunch = \$3.00 per day

Free and Reduced Price Lunch

Please complete the **Free and Reduced Lunch Application** and submit to the Swallow School kitchen. Contact Janet Jewell at 262-367-2000, ext. 110 with any questions.

Payment

Check: Please write one check payable to Swallow School (include how you would like the amount divided if you have multiple children) and **write your child's lunch account number on the check.**

Online Visa or MasterCard: This feature will allow you to deposit money into your child's lunch account via the parent portal. There is a minimum payment of \$20.00 per transaction when using this feature as well as a small fee for this service. Simply log in to the parent portal at: **<https://wicloud2.infinitecampus.org/campus/portal/swallow.jsp>** click on the "Payments" tab then add an amount to the Lunch Account field. Follow the prompts.

Cash: Please send cash in a sealed envelope with your child's name, lunch account number, teacher/grade, and amount written on the outside.

Any remaining funds from last school year will be transferred to this school year. Students will keep the same account numbers and new students will be given account numbers during the first couple days of school. Each student has his own account number; therefore, one sibling cannot use another sibling's lunch account. Staff is alerted when a lunch has been purchased thereby preventing multiple lunch charges per day. Please contact the kitchen (**262-367-2000 ext. 110**) if you would like money transferred from one sibling's account to another.

Parents can check their child's lunch account using the Parent Portal online. An email is sent to parents when the lunch account is low (approximately five lunches remaining). Please plan on sending more lunch money when the balance is approximately \$12.50. Students owing \$15.00 or more are asked to bring a bag lunch and drink or \$2.50 daily until a lunch account payment has been made. The kitchen will provide a lunch and milk for \$2.50 if a bag lunch and drink are forgotten.

Menu

The monthly menu is posted on the Quick Links section of the front of the district website.

Lunch

As has been our past practice, we will continue to use the offer vs. serve system to reduce food waste. Students are no longer required to have certain food components. Three entrées are available daily. If a student does not care for the entrée on a particular day, our salad bar includes, but is not limited to: assorted vegetables and fruits, and a host of other choices. The salad bar is accessible to students,

staff and visitors every day. Students who bring a cold lunch may also purchase items from the lunch line, but at ala carte prices.

Milk Only

Milk only or extra milk (a la carte) can now grab their milk and go. **The student should empty any unfinished or unopened milk and place the carton in the appropriate recycle container.**

Snacks

Healthy snacks may be purchased by students in the lunch line on Mondays, Wednesdays and Fridays. Kindergarten-4th grade students will need to finish their lunches before they can purchase a snack. Water will be available daily. These snacks will be sold ala carte through the lunch line.

The water/juice vending machine is available to students all day.

We have a wellness policy at Swallow School (School Board Policy #458). Healthy snacks, milk, juice, etc. are available for special events or class parties. Please call at least a week in advance to order.
