

Swallow School District Student Assessments 2018-2019

In addition to district and classroom specific assessments, the Swallow School District administers standardized assessments annually to students in all grade levels. The following information can be found on the district's website for the state and district-required assessments:

- Board Policy #346, Student Assessment Program
- Swallow School's Balanced Assessment Model

When such information is available, the amount of time students will spend taking the assessment, the schedule for the assessment, the purpose of the assessment, and the timeline and format for disseminating results will be provided to parents via teacher and school communications.
